

Usage

EVENSWISS® Booster Line

CLEANSING

A thorough cleansing program must purge all types of impurities Oil-based substances such as excess sebum and makeup as well as Water-based substances such as old skin cells, dust, bacteria, and perspiration.

Carefully clean the skin area to treat with EVENSWISS® Facial Cleansing Milk and afterwards refresh it with EVENSWISS® Facial Tonic.

- Dispense a dab of about 2.5 cm in diameter with about 3 g of EVENSWISS® Facial Cleansing Milk.
- Gently massage the milk into the skin in circular strokes, dissolving the impurities and drawing them out from within the skin.
- Rinse away with lukewarm water.
- Press the pump of the EVENSWISS® Facial Tonic two to three times to dispense a dab with about 2-3ml of the tonic
- Gently apply the tonic onto the skin in circular strokes.

MASTER BOOSTER

- EVENSWISS® MASTER BOOSTER reduces the signs of ageing, if used alone or in combination with other Boosters. Prolongs the look of fresh and young skin by accelerating the natural production of collagen, elastin and hyaluronic acid.
- The main active ingredients in EVENSWISS® Rejuvenating serum, Dermatopietin® Peptide Complex do not penetrate the skin. IL-1 α acts on the skin's surface and sends signals to the skin depth. Therefore it is very important to apply the serum on a cleaned skin.
- Mix 1 part of Master Booster and 1 part of any other Booster with 10 parts of any Base Formula or alternatively 10 parts of the appropriate EVENSWISS® Retail Line product, then massage well onto clean skin.
- Apply twice daily.

BOOSTER No1 "Anti - Wrinkle"

- EVENSWISS® Booster No1 reduces the appearance of wrinkles and fine lines by tightening skin.
- Mix 1 part of Booster No1 and 1 part of Master Booster with 10 parts of Base Formula Face or Massage or alternatively with 10 parts of the appropriate EVENSWISS® Retail Line product, then massage gently onto clean skin.
- Apply twice daily.
