How

This treatment is a combination of a deep cleansing through the Diamond Microabrasion, the ultrasonic peeling, a deep tissue massage and the Radiofrequency-Technology, which tightens and smooths the skin.

For the eye area against wrinkles

Application of the mixture of: 1 part of **EVENSWISS® Booster No1** (Anti-wrinkle) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER**, according to the instructions.

- For reducing wrinkles and fine lines and promoting an even and smooth skin

For the eye area against puffiness

Application of the mixture of: 1 part of **EVENSWISS® Booster No4** (Anti-puffiness) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER**, according to the instructions.

- For reducing the under-eye bags and providing a radiant complexion.

For the eye area against dark circles

Application of the mixture of: 1 part of **EVENSWISS® Booster No5** (Anti-dark circles) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER**, according to the instructions.

- For fighting dark circles under the eyes.

For the Face and neck area against sagging skin

Application of the mixture of: 1 part of **EVENSWISS® Booster No6** (Anti-loose skin) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER (for the oily skin)** and 10 parts of **BASE FORMULA FACE** with 1 part of **MASTER BOOSTER** plus 1 part of **EVENSWISS® Booster No6** and 1 part of **EVENSWISS® Booster No2 (for very dry skin)** according to the instructions.

- For a firm and tight skin and reducing sagging skin of cheeks, chin and arms

For the face against age spots

Application of the mixture of : 1 part of **EVENSWISS® Booster No3** (Anti-age spots) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER (for the oily skin)** and 10 parts of **BASE FORMULA FACE** with 1 part **EVENSWISS® Booster No3** and 1 part **EVENSWISS® Booster No2 (for very dry skin)** according to the instructions.

-Reduces pigmentation (lipofuscin) of the age spots.

For the face against pigmentation

Application of the mixture of: 1 part of **EVENSWISS® Booster No7** (Anti-dark skin) with 10 parts of **BASE FORMULA FACE** and 1 part of **MASTER BOOSTER (for the oily skin)** and 10 parts of **BASE FORMULA FACE** with 1 part of **EVENSWISS® Booster No7** and 1 part of **EVENSWISS® Booster No2 (for dry skin)** according to the instructions.

-Whitens the look of dark skin.

For the faster recovery and regeneration of the skin

Application of **EVENSWISS® Regenerating Plasma**

Aftercare

For better and long-lasting results continue using the **EVENSWISS®** product/-s, according to your skin needs, at home.
